NO.

FROM

THE STATE COUNCIL,

TONK.

TO

HIS HIGHNESS AMIN-UD-DOWLA WAZIR-UL-MULK NAWAB

SIR HAFIZ MOHAMED IBRAHIM ALI KHAN SAHEB

BAHADUR SOWLAT JANG G. C. I. E.,

THE NAWAB OF TONK STATE.

TONK.

Dated Tonk, the _____ 19

YOUR HIGHNESS,

We have the honour to submit herewith the Annual Administration Report of the Tonk State for the year 1316 Esli, corresponding to 1908-09 A.D.

We beg to remain,

YOUR HIGHNESS,

Your most obedient Servants,

Members of the State Council, Tonk.

ANNUAL REPORT
ON THE
ADMINISTRATION OF THE TONK STATE
FOR THE YEAR 1316 FASLI.

CHAPTER I.

GENERAL AND POLITICAL.

1. The total area of the State has undergone no change and is 16,49,946 acres as in the previous year. The total population according to the Census of 1901. is 2,73,201 and the gross revenue of the State for the year under report is 18,54,272 (including Rs. 2,51,896- on account of deposits) against Rs. 15,84,599. The State does not pay any tribute to Government or to any other State.

2. The full name and title of the chief is Amin-ud-dowla wazir-ul-mulk Nawab Sir Hafiz Mohommad Ibrahim Ali Khan Saheb Bahadur Sowlat Jang G. C. I. E. He belongs to a Saharzie clan of Bonerwal Pathans and is a great grandson of Amir-ud-dowla Nawab Mohommad Amir Khan the first Nawab of Tonk. He is about 62 years of age and is in good health except that during the year he had slight attacks of gout on two or three occasions.

In the end of November 1908 H. H. the Nawab Saheb Bahadur went on a short trip to Bombay and on his return en route Rutlam visited Nimbahera where he halted for a few days. During the course of his visit to Nimbahera H. H. the Nawab Saheb Bahadur made enquiries into the general condition of the people, crops, and realisation of land revenue. H. H. the Nawab Saheb Bahadur also heard petitions on the spot and meted out necessary relief to the petitioners.

3. H. H. the Nawab Saheb Bahadur has got 10 sons and 12 daughters alive. The eldest of his sons the heir-apparent Sahibzada Abdul Hafiz Khan is also in good health.

4. The State was fortunate enough to receive , during the year under report, visits from His Excellency the Viceroy and Governor-General in India and His Excellency the Commander-in-Chief. His Excellency Lord Minto came to Tonk from Jaipur by Motor on 30th. October, 1909 and returned the same day. He paid a visit to the fort and State Armoury and was much pleased with what he saw. This was the first occasion that the Tonk State was honoured with such a visit and the Durbar express their heartfelt gratitude to His Excellency Lord Minto for the kindness he showed in including Tonk in his programme. His Excellency Lord Kitchner also paid a visit to Tonk in April 1909 and inspected the Fort and State Armoury.

The Honourable Colonel Pinhey the officiating Agent to the Governor General, Rajputana, visited Tonk in January 1909 and made an inspection of the School, Jail and Sadar Hospital. Col. H. N. V. Harrington, Chief Medical Officer, Rajputana, also paid a visit to Tonk in the same month.

In August 1909 the Medical Officer Ager visited Pirawa and made an inspection of the Dispensary.

Major A. B. Drummond held charge of the office of the Political Agent Harnoti and Tonk throughout the year under report. The State is greatly indebted to him for his valuable and useful advice in all important matters referred to him.

Captain D. V. Condon M. D. I. M. S. was Agency Surgeon, Harnoti and Tonk throughout the year and paid several visits to inspect the General and Walter Female Hospitals Tonk.

PERSONNEL OF THE ADMINISTRATION. SEE APPENDIX 1.

5. In the end of June 1909 Munshi Mehboob Alam Khan Revenue Member, obtained two months privilege leave from 22.6.09 preparatory to his reversion to the Punjab Commission. The appointment of a new Revenue Member is under consideration and Lala-Moti Lal Financial Member holds charge of the current duties of the office of Revenue Member.

Munshi Faiz Ahmad Revenue Assistant was transferred to the Financial Office as Assistant to the Financial Member in August 1909 and his work was

entrusted to Sheikh Abdul Majid B. A. Personal Assistant to Revenue Member,

Sahibzada Sher Ali Khan Nazim of Sironj was transferred to Nimbahera and Syed Iqbal Ali Shah Nazim of Nimbahera was sent to Sironj in his place.

Owing to the reversion of Iqbal Ali Shah Nazim of Sironj and of Lala Jhanda Mal of Pirawa in July and September respectively to their substantive appointments in the Punjab the posts of Nazims Sironj and Pirawa fell vacant and Qazi Nizamul Haq was appointed as Nazim of Sironj in place of Iqbal Ali Shah and Afzal Yar Khan in the vacancy created by Lala Jhanda Mal's reversion. Sher Ali Khan Nazim was transferred from Nimbahera to Tonk and Munshi Ali Asghar from Tonk to Pirawa. Mirza Afzal Yar Khan was posted at Nimbahera.

Owing to gross negligence Qazi Wali Mohammad Nazim Aligarh was dismissed in August and Khan Sahib Munshi Asghar Ali Khan was appointed in his place.

Khan Sahib Mirza Mohammad Ali Khan Judicial Member retired from service during the year; he was succeeded by Mir sayed Hosain Extra Assistant Commissioner Ajmer.

Mirza Nawab Ali Khan Nazim of Customs also retired from service and was succeeded by Sahibzada Mohammad Hanif Khan.

A new post of Superintendent, State Forests was created in the year under report and Munshi Mula Bux B. A. a qualified Ranger of the Forest Training School, Dehra Dun was appointed to it.

In June 1909, Khan Bahadur Ghulam Kadir Khan was appointed to the post of Superintendent of police which, was lying vacant since the demise of the late Superintendent Khan Bahadur Jalaluddin Hyder.

Chapter II.

Land Revenue Settlement.

6. The term of the current settlement for the various Parganas of the State expired in 1315 Fasli corresponding with October 08 and Forecast Report

on the next revision of last Settlement was submitted to the higher authorities for orders which are still awaited.

Land Revenue Realisation

7. According to the Budget estimates of receipts the land revenue demand for the year under report was fixed at Rs. 8,429,21/- against which Rs. 3,81,080/- or Rs. 38,159/- in excess of the demand were collected. The percentage of realisation works out to 105 which is the best on record since the introduction of revised settlement except that of last year i. e. 1315 Fasli when the percentage reached the maximum of 117. But the resulting realisations of land revenue for the year under report will appear to be even better than those of the last year when it is remembered that owing to probable apprehension of a scarcity and to general gloom cast over agricultural prospects in September 1907 the land revenue demand for 1315 Fasli was fixed at a comparatively very low figure but as subsequently the situation was changed altogether and agricultural prospects looked bright the collections for 1315F. (117p.c.) *under so altered condition compared very favourably with the specially lenient demand.*

The working of the land revenue administration for the year under report will appear to be still more creditable when it is seen that in addition to current year's demand Rs. 92,000/- have been realized towards recovery of previous years' land revenue arrears. There is no doubt that H. H. the Nawab personally watched the revenue realisation and evinced the keenest interest in the administration of the Revenue Department by issuing strict warnings to Revenue officials to discharge their duties in a proper manner but a word must be said here for the untiring zeal and careful supervision of Lala Moti Lal Financial Member who in the end of June 09 was appointed in charge Revenue Member on the reversion of Munshi Mehbub Alam Khan and the State Council take this opportunity of recording their sincere appreciation of the excellent work done by Lala Moti Lal in connection with the land revenue realisations.

8. The arrears of case work pending in Sadar Revenue Office as well as

Nizamats at the end of the year under report compare as follows with those of past 3 years

1313	Fash	7,856
1314	Fash	3,262
1315	Fash	3,810
1316	Fash (year under report)	1,644

It will be seen from the above figures that during the year under report special efforts were made to reduce the pending file as far as possible and the results were creditable to the Member concerned.

Tacavi.

9 No advances of Tacavi were made during the year under report. Enquiries regarding the recovery of Tacavi advances for seed grains in Sironj are now complete and according to the arrangements for the recovery of arrears by fixed yearly instalments Rs.15,150/- have been realised. In addition to the above Rs. 19,015/- have been realised towards recovery of arrears of cash Tacavi which compare very favourably with the recoveries (Rs. 11,102) made last year.

Boundary dispute

10 No important boundary dispute was settled during the year under report.

CHAPTER III

PROTECTION

Legislation

11. Appendix 11 shows the Laws and Regulations in force in the Tonk State.

Military

12 The number of men in the army and the expenditure there on was 1,744 and Rs. 1,67,098 respectively, there being an increase of Rs. 741 under Band establishment. The force is mainly employed on watch and ward duties in Sadher as well as in outlying Parganas, as the men have some knowledge of drill etc. and can perform these duties satisfactorily.

There are 773 muzzle loading guns and 12 swords in possession of the Husaini Battalion.

Working of Police.

13 The total strength of Police, excluding the menial establishment, is 902, and the ratio of police to population and area is 1 to 310 persons and to 2.9 square miles respectively. Steps are being taken to improve the general efficiency of the police by prescribing departmental examinations for enlistment of new recruits and improving the existing staff by giving them rewards etc. in successful cases. Nur Khan a pensioned Subedar of 42nd. Deoli Regiment who is employed as Drill Instructor to students of Durbar High School, Tonk is required to coach the police also in drill and he takes batches of policemen three times a day. Two students, Viz Sahibzada Abdul Saboor Khan and Abdul wahab Khan were sent this year to receive education at the Police Training School Phillour, Punjab. A general scheme for the enhancement of pay of the various grades of police is also under consideration. On the occasion of His Excellency the Viceroy's visit to Tonk, 200 uniforms worth Rs. 1,060/- were supplied to the police at State expense.

The police in the Sironj and Nimbahera Parganas of the State are armed with muzzle loading guns but in the other Parganas they are partly armed with such guns and partly with antique match locks, but all possess swords and wear uniforms. The supply of 50 Snider Rifles and Cartridges for the use of the police in Nimbahera Parganah, where large gangs of dacoits are to be found, has been sanctioned by the Government of India and the rifles would be received shortly. Appendix No. V. shows that the Police arrested 777 persons and sent 670 for trial. Out of these, 306 were convicted 259 discharged and acquitted, 10 were transferred and 77 remained under trial at the close of the year. Increase in the number of offences is due to the fact that in Sironj Parganah bad characters were frequently challaned under Sections 54 and 55 Criminal Procedure Code. The percentage of successful prosecutions was 46 against 50 of the last year. The working of the police was however on the whole satisfactory.

Village Police

14. There is no regular village police in this State but its duties are performed by village menials called Chowkidars and Khuntias, some of whom get a cash payment in remuneration of their services and some are in enjoyment of free grants of land.

Criminal Justice.

15. The number of offences reported during the year was 1,597 against 1,694 in the previous year, thus giving a decrease of 97 Vide Appeneidx VIII The number of persons tried was 2,936 as against 3,306 in the last year, showing a decrease of 430. The number of persons remaining under trial at the close of the year was 154 against 199 in the last year.

Appellate Court.

16. Appendix IX shows there were 105 appeals including the last year's balance. The Appellate Court upheld the sentence of the Lower Courts in 56, modified in 10, reversed in 17, and remanded 4 cases for further enquiry, 2 cases were referred to Council and only 16 were left under disposal at the close of the year.

Council,

17. Only 17 Criminal appeals were filed, all of which were disposed of. Sentences were confirmed in 11 and reversed in 6 cases.

Civil Justice.

18. Appendix X. There were 1,974 cases as against 1,855 in the previous year. Out of these, 1,794 were disposed of and only 180 left pending. These figures compare very favourably with 1,616 and 239 respectively of last year.

Execution of decrees.

19. Appendix XI. There were 1,555 applications, out of which 1,239

were disposed of during the year and 316 left pending. These figures compare favourably with those of last year, when 1,065 out of 1,557 were disposed of and 492 were left pending, as they show a decrease of 176 in those left pending. The total amount claimed in decrees was 22,747-15-0 and the value of recoveries was Rs. 1,34,154 . 5 . 5.

Appellate Court

20. Appendix XII shows that there were 204 civil appeals including last years balance. Out of these 147 were disposed of leaving a balance of 57 at the close of the year. The judgment of Lower Courts were confirmed in 106, modified in 7 and reversed in 18 cases; 2 cases were compromised and 14 were remanded for further enquiry. Taking into consideration that the Judicial Member has at his disposal, after excluding holidays and the days on which he has to attend the sittings of Council and His Highness' peshi, only 102 days to dispose of both civil and criminal appeals as well as other miscellaneous work, the result is, a very satisfactory one as the average number of appeals daily disposed of comes to 2.25 and this speaks a good deal for the hard work and diligence of the Member concerned.

Council

21 There were 66 appeals including last years balance of 17. Out of these, 58 were disposed of leaving 18 pending at the close of the year. Judgements of Lower Appellate Court were confirmed in 31, reversed in 15, and amended in 3 cases, 2 cases were decided by compromise and 5 were remanded for retrial.

Extradition.

22. During the year under report an Extradition Agreement was concluded with Bharatpur State.

Registration.

23. Vide Appendix XIV. The number of documents presented for

registration during the year under report was 148 against 146 in the previous year. Appendix XV shows that the fees realised amounted to Rs.555/8/- only while the expenditure came to Rs. 660/-. As the expenditure on this account is always in excess of the income derived, a proposal is under consideration that the services of whole-time Moharrirs be dispensed with and an arrangement be made with some clerk already in service to do the work on payment of half of the fees realised, the other half to be credited to State Treasury; thus the State will have to expend nothing on this account.

Prisons.

24. With the exception of Aligarh, there is a Jail at the head quarters of each of the Parganas of the State, but only such prisoners as are sentenced for 6 months and under are confined in Pargana Jails, the rest are kept in the Sadler Jail at Tonk. Appendix XIII shows the working of the Jails.

Municipal affairs.

25. Up to last year there was only one Municipal Committee in the town of Tonk but during the year under report a Municipal Committee was sanctioned for each of the five outlying Parganas which have been started and are doing work. There was no change among members of the Sadar committee but the post of the superintendent was brought under reduction Mohtamim doing both works. Appendix No. XVI shows the receipt and expenditure of the Municipal Committees. The year was on the whole generally healthy though there was some complaint of Malarial fever at the end of the year at Sadar and some of the Outlying Parganas. Sanitation has much improved since the introduction of Municipal Committees.

CHAPTER IV.

Weather and Crops (Tonk, Aligarh and Nimbahera)

26. The total rainfall throughout the year 1908-09 in the three Rajputana Parganas of the State i. e. Tonk, Aligarh and Nimbahera was 24. 30, 29. 19,

and 27.20, inches respectively against the averages of 17.69, 19.41, and 22.12, inches for the previous five years. The months of April and May 1903 were almost rainless as usual and only scanty showers fell in June which enabled the peasantry to take in hand sowing operations with the greatest rapidity.

July brought in well distributed and well sustained bursts of monsoon recording 5.73, 10.57, and 12.73, inches respectively and the agricultural prospects looked very bright. The rains in August were however excessive and continuous. This heavy rainfall damaged to some extent the Makka crop. Some damage was also done to the Jowar and Makka crops by the abundance of grass grown in the Makka and Jowar fields. The month of September was almost rainless except in Tonk where it recorded 1.23, inches but during this month the standing kharif crops prospered well. The outturn of kharif crop was on the whole average and the peasantry seemed well off. The next 6 months i. e. October to March 09 were entirely rainless. Owing to sudden cessation of rains in September and to the abundance of grass in the fields great difficulty was experienced in preparing lands for Rabi and in consequence sowings were not made on large areas as expected. Wheat and gram crops suffered to some extent through dryness and the former was further damaged by kasari (insect) Zera was also damaged by cloudy weather in March 09 and by Ogala (insect). The Rabi crops on the whole on irrigated lands was above average and those on barani below average.

Sironj, Chhabra and Pirawa.

These three Parganas are situate in Central India and received copious rains in summer. Like the Rajputana Parganas there was no winter rain except very scanty showers in Pirawa in January 09 and in Sironj in February 09. Kharif crop was above average in these Parganas and Rabi a little below the average.

General Condition and Prices.

27. The general condition of the people and of outturn was average. Showers at the end of April 09 affected the peasantry to some extent as the

wet grain could not be stored and was disposed of at comparatively low prices. The prices of important staples, such as wheat, gram, jowar, bajra and barley etc have generally been low in all the parganas except that of maize which is high in Tonk Pargana only owing to scantiness of outturn of the crops caused by damage by excessive rains. Prospects for the next Rabi are bright and it is hoped that if rain falls in December the next Rabi will be excellent. However owing to recent restrictions on opium exports the prices of that commodity has very considerably declined, thus affecting the revenue paying capacity of the peasantry especially in the 3 Parganas of Chabra, Pirawa and Sironj.

The health of the peasantry remained good in almost all the parganas of the State except in Tonk where Malarial fever prevailed in some of the villages and caused temporary cessation of Kharif harvesting.

Live Stock.

28. For details please see Appendix XX. during the year under report no disease has been reported among the cattle and the general condition of the cattle has been good throughout the State. Fodder was abundant.

Post Office

29. There are 6 Government Post Offices one at each of the headquarters of the six Parganas of the State. The guard for the protection of mails within the Tonk State limits is provided by the Durbar.

Forest.

30. The area of the State forests is 82,073 bighas and the chief forest productions are:—

1. Grasses.
2. Timber.
3. Honey.
4. Katha.
5. Dried fruits,

A scheme for the improvement of forestation on a scientific basis was under consideration since a long time; consequently in the latter portion of the year under report, Munshi Moula Bux B. A. a passed candidate of the Forest School, Dehra Dun was appointed as Superintendent of Forests and Abdul Razzak Khan who formerly did the work has been placed under him as his Assistant. A surveyor has also been appointed tentatively to prepare plans showing the exact boundary etc of forests and the forest establishment in the different parganas of the State has been materially increased.

Trade and Manufacture.

31. No new factory was opened during the year. Cotton ginning and pressing factory continues to work at Nimbahera. Namdas of good quality are manufactured in Tonk and are exported in abundance.

Public works Department.

32. The expenditure on Public works department during the year under report was Rs. 62,376 as detailed below:

Building and Roads.	49,808
Irrigation.	7,368
Establishment Charges.	5,200
	<hr/>
	62,376
	<hr/>

This Department has previously been under the Revenue Member but in August 1909 it was placed under the charge of the Financial Member. No new tanks were constructed during the year under report only old tanks were repaired when necessary.

CHAPTER V.

Revenue and Finance.

33. There was an increase of Rs. 1,01,329 in the gross income during the year as compared with 1315 Fasli the details of which are as follows:

Arrears of Land Revenue.	Plus	Rs. 29,030
Land Revenue.	" "	1,21,097
Petty items.	Minus	47,798
<hr/>		
Total Plus Rs. 1,01,329		

The increase was chiefly due to good harvests and better supervision of revenue collecting agency. The total expenditure for the year under report was Rs. 11,57,576/- against Rs. 10,29,015/- during the past year. There was an increase of Rs. 1,29,000/- under the following heads.

1. Allowances	(Rs. 70,000) to H.H's sons & daughters.
2. State Charges	(41,000) Entertainments
3. Public Works Deptt.	(18,000) Due to repairs to roads.
<hr/>	
Total	Rs. 1,29,000

For full particulars see Statement No. XXII.

The total assets of the State at the end of 1315 Fasli stood at Rs. 8,69,225 while in the year under report there were Rs. 7,11,264 including opening cash balance. The total liabilities of the State were reduced to the extent of Rs. 3,29,000/-.

Payment of Debt.

34. The total repayment of State debts during the year under review amounted to Rs. 3,29,635/- or Rs. 1,29,635/- in excess of the budget estimate and Rs. 22,000 in excess of the last year which was very satisfactory. The working of the Financial Deptt. was very satisfactory which was creditable to Lala Moti Lal Financial Member of the State Council.

CHAPTER VI.

Dispensaries and Hospitals.

35. There are 7 Hospitals in the Tonk State, 2 in Tonk proper (one for males and one for females) and one at the head quarters of each of the five Parganas. Doctor W.M.S. Desai Assistant Surgeon is in charge of the General Hospital at Tonk and Dr. Miss K. Reed is in charge of Walter Female Hospital.

Doc or Miss K. Reed the Lady Superintendent who was on leave returned in April 1903 and resumed charge of the Female Hospital. Both the Hospitals at head quarters are doing very good work which is creditable to Dr. Desai and Doctor Miss Reed.

There are arrangements for vaccination in all the Parganas of the State. The total number of children vaccinated during the year under report was 4,369 out of which 3,905 were successful.

Births and Deaths.

36. Appendix No XXIV will show the total number of births and deaths in the Tonk State during the year under report.

CHAPTER VII.

Education.

37. Appendix XXV shows the number of Schools in the Tonk State and the expenditure incurred thereon. In spite of frequent changes in the personnel of the staff, the average attendance of the students was throughout satisfactory.

APPENDICES.

APPENDIX I.

Names of High Officials in the Tonk State showing changes in Personnel during the year 1316 Fasli.
